Work experience

Networking & Virtualization Labs (USIU-Africa)

Sep 2025 - Present

School Project, Nairobi

Configured VLANs and virtual networks using Cisco tools for LAN and remote networks. Practiced SDN concepts and virtual network topologies in guided lab exercises. Created and managed virtual machines on Microsoft Azure, focusing on security and scalable management. Automated basic tasks and analyzed lab data using Python.

Portfolio Website Development

Jan 2026 - Present

Self, Nairobi

Designed, developed, and hosted a personal portfolio website to showcase projects and technical skills. Implemented responsive design and organized project showcases for clarity and usability. Demonstrated web development skills including HTML, CSS, and basic JavaScript.

Resume objective

Motivated Bachelor of Science in Applied Computer Technology student at USIU-Africa with hands-on experience in networking, virtualization, and cloud environments. Passionate about learning and implementing network solutions in enterprise environments.

Education and Qualifications

Bachelor of Science in Applied Computer Technology

Apr 2024 - Dec 2027

United States International University- Africa(USIU-A), Nairobi
